Event #	Event Name	System Manufacturer	Game Master	Date	Time	Difficulty	Maturity Rating	# of Blocks	Blurb
L-001	Professor Nightshade's Circus of the Macabre!	White Wolf	Death Warmed Over	Thurs	11pm	Intro	Teen	2	Arriving by rail, to a town near you! Some kindred posit it might be a cover to sneak infiltrators into the city? Others think its a way for the council to make a state visit without attracting the wrong kind of attention, unannounced! Perhaps a lesser official from their lofty perch in Europe is the mystery passenger? Is there even a mystery passenger(s) and if there were could the Kindred of the target city ferret them out who they were before they announced their arrival and their agenda? Would such an announcement be welcome? Nightwalkers express unease while "daysiders" vary greatly from elation to dread, rumors fly getting wilder by the night, even as the "advance team" rolls into town. Just another quiet night in backwater Vermont!
